1 A Further Case Management Conference is scheduled for December 16, 2005. For the
 2 reasons explained below, the parties request that this Conference be continued to a date in
 3 January 2006.

4 On November 9, 2005, the parties reached agreement on a settlement of this case. On
 5 November 10, 2005, Plaintiff's lawyer provided to all counsel a draft settlement agreement and
 6 proposed Order of Dismissal. The parties believe that this case has settled and that a final
 7 settlement agreement can be signed and the case dismissed before the end of the year.
 8 Therefore, the parties request that the Court continue the Further Case Management Conference
 9 to a date in January 2006.
